

Modular Layout

We'll post different details about the DSED modular layout on this page related to construction, work sessions, parts needed, parts we have.

Leave a comment with your thoughts and ideas if you'd like!

As of early January DSED has set as a goal to expand the modular layout to include a center island yard. This will run us several hundred dollars and potentially a big dip in our division coffers. We have already received some very helpful pledges though for donations, and we hope to be able to be in a position to have the yard funded soon.
